

Cell Test Study Outline

1. Can I state the three main points of the Cell Theory?

Three things I understand:

- a. All living things are made of cells.
- b. Cells are the basic unit of structure and function for all living things.
- c. All new cells come from already living cells.

Two questions I have:

- a. Who wrote the Cell Theory?
- b. When was the Cell Theory written?

Two resources:

- a. Chapter 4.1 packet
- b. Science Insights, Chapter 4.1
